

ADONAI'S INFORMATION TECHNOLOGY SOLUTIONS (PTY) LTD

Real Solutions by Real People for Real People

ADONAI'S IT Solutions invites you to the launch of **SECURE ELECTRONIC SIGNING AND VERIFICATION SOLUTIONS**.

- These Solutions address the needs of both Public and Private Sector, including: Government, Parastatal and Non-Governmental Organizations
- Financial Services, Telecommunications, Manufacturing, Mining, Retail, Media, Healthcare and Administration, Pharmaceutical, Hospitality, Car Rental Industries and the Legal Community

● **Do you still produce paper to capture a signature?**

● **Do you really know who is signing your documents?**

● **Does managing your paperwork cost you more than you would like?**

Gain exposure on new ways to achieve greater cost reduction, process efficiency and improved customer experience. ADONAI'S IT Solutions will present and demonstrate comprehensive solutions for business processes to remain fully electronic. To reach this goal we do not only provide solutions, we furthermore assist our customers throughout the full project lifecycle and thereafter in operational mode.

Providing state of the art technology is not enough for us! We deliver full solutions to satisfy our customers' needs.

SIGN ● SECURE ● PAPERLESS ●
